TOWN OF FLORENCE REGULAR MEETING AGENDA

PURSUANT TO A.R.S. § 38-431.02, NOTICE IS HEREBY GIVEN TO THE MEMBERS OF THE FLORENCE TOWN COUNCIL AND TO THE GENERAL PUBLIC THAT THE FLORENCE TOWN COUNCIL WILL HOLD A MEETING OPEN TO THE PUBLIC ON TUESDAY, FEBRUARY 21, 2012, AT 6:00 P.M., IN THE CHAMBERS OF TOWN HALL, LOCATED AT 775 NORTH MAIN STREET, FLORENCE, ARIZONA.

1	1	\mathbf{C}	Δ		•	T	0	O	R	D	F	P
	١ ـ ١	L.	-	_	_		_	u	П	ப		м

2. ROLL CALL:	Mayor Kilvinger; Vice-Mayor Smith;
	Councilmembers: Vallarie Woolridge; Tom Celaya
	Arnie Raasch; Bill Hawkins; Barbara Brown

3. PLEDGE OF ALLEGIANCE

4. CALL TO THE PUBLIC

Call to the Public for public comment on issues within the jurisdiction of the Town Council. Council rules limit public comment to three minutes. Individual Councilmembers may respond to criticism made by those commenting, may ask staff to review a matter raised or may ask that a matter be put on a future agenda. However, members of Council shall not discuss or take action on any matter during an open call to the public unless the matters are properly noticed for discussion and legal action.

5. PRESENTATIONS

- a. **Presentation by Mark Eckhoff,** Community Development Director, on recent code compliance activities.
- 6. CONSENT: All items indicated by an (*) will be handled by a single vote as part of the consent agenda, unless a Councilmember or a member of the public objects at the time the agenda item is called.
 - a. *Authorization to accept four heart monitors valued at \$27,500, donated to the Florence Fire Department, from Pinal County Sheriff's Office.
 - b. *Approval of the grant application submitted to Arizona Department of Homeland Security in the amount of \$39,600, for 22 Air Mask Communication Systems for the Florence Fire Department.
 - c. *Acceptance of Frank Puglia's resignation from the Redevelopment Commission and appointment of Sharon Speck as Chair and John M. Shaw III as Vice-Chair to the Redevelopment Commission.
 - d. *Ordinance No. 571-12: First reading of AN ORDINANCE OF THE TOWN OF FLORENCE, PINAL COUNTY, ARIZONA, AMENDING SECTION 8A-280 OF THE TAX CODE OF THE TOWN OF FLORENCE IN CONFORMITY WITH THE

MODEL CITY TAX CODE BY INSERTING THE FOLLOWING PROVISION: "SECTION 8A-280 (RESERVED)".

- e. *Resolution No. 1332-12: Adoption of A RESOLUTION OF THE TOWN OF FLORENCE, PINAL COUNTY, ARIZONA, AMENDING RESOLUTION NO. 1317-11 AND AUTHORIZING THE SUBMISSION OF APPLICATION(S) FOR 2011 STATE SPECIAL PROJECT (SSP) GRANT FUNDS, CERTIFYING THAT SAID APPLICATION ADDRESSES ONE OF THE COMMUNITY'S PREVIOUSLY IDENTIFIED URGENT NEEDS AND MEETS THE REQUIREMENTS OF THE STATE SSP PROGRAM, AND AUTHORIZING ALL ACTIONS NECESSARY TO IMPLEMENT AND COMPLETE THE ACTIVITIES OUTLINED IN SAID APPLICATION.
- f. *Approval of accepting the register of demands ending January 31, 2012, in the amount of \$1,718,265.67.

7. NEW BUSINESS

- a. Discussion/Approval/Disapproval a grant application to the Federal Emergency Management Agency SAFER Program in the amount of \$393,204, to pay the salary and benefits of three firefighters for two consecutive years.
- b. Discussion/Approval/Disapproval of selecting potential projects for the 2012 Community Development Block Grant and State Special Projects Grant.
- c. Ordinance No. 572-12: First reading of AN ORDINANCE OF THE TOWN OF FLORENCE, PINAL COUNTY, ARIZONA, AMENDING SECTION 30.04 OF THE TOWN OF FLORENCE CODE OF ORDINANCES AND ESTABLISHING A RATE OF PAY FOR THE MAYOR AND COUNCIL.

8. DEPARTMENT REPORTS

- a. Manager's Report
- b. Department Reports
 - i. Community Development
 - ii. Court
 - iii. Finance

ARIZONA	FORM	Ja.	
MEETING DATE: Fel	bruary 21, 2012	☐ Action ☐ Information Only	
DEPARTMENT: Com	☐ Public Hearing ☐ Resolution		
STAFF PRESENTER	☐ Ordinance ☐ Regulatory ☐ 1 st Reading ☐ 2 nd Reading		
SUBJECT: Code Co	mpliance Presentation	Other	

RECOMMENDED MOTION/ACTION:

The Community Development department would like to present a brief PowerPoint presentation showing recent code compliance before and after pictures. This presentation item is for informational purposes only and no action or motion is required.

BACKGROUND/DISCUSSION:

While most departments perform a certain level of code compliance for their respective areas of jurisdiction and expertise, the majority of visible code compliance actions are performed by code compliance and building safety personnel within the Town's Community Development department. Our Senior Building Inspector, Carroll Michael, takes the lead in this area and he is assisted by our Building Inspector, Frank Goodard, and our Permit Specialist, Tracie Ramirez. Planners assist with some code compliance projects as well and, of course, our Town Attorney, James Mannato, plays a pivotal role in regards to offering general legal advice and interpretations to our department. Mr. Mannato is also involved with occasional challenging code compliance cases that end up in Municipal court.

This department processes approximately 100 code compliance cases every year. The most common violations are rubbish, litter, unkempt buildings, weeds, abandoned structures, inoperative motor vehicles, nonconforming buildings, unpermitted improvements and excessive animals. This department responds to complaints from citizens and other departments, but also will pursue unreported cases where violations are noted by our department staff. That said, as we do not have a dedicated Code Compliance Officer position, we do not seek out code violations, but instead focus on the most critical violations where health and safety issues are concerned. Speaking of which, our staff will often respond to calls from the Police and Fire Departments and are sometimes asked to determine whether structures are safe to occupy. Currently, most code compliance cases are within the core of Florence and this is likely correlated with the lack of homeowner's associations in the core area as opposed to Florence Gardens, Anthem at Merrill Ranch, etc.

Fortunately, with many of our cases, voluntary compliance is obtained after a friendly first contact or letter. Other cases require more persistence and some more serious cases require court action. In some cases, this department, after following all applicable steps, will initiate the cleaning of a property and the Town will file a lien on the property if the fees for the clean up are not paid within a specified timeframe. A small amount of our budget has been allocated for such benefit over the past several years, though certainly it is preferable to not exercise this option because of the extra staff time and money involved. Banks and lenders representing foreclosed homes are frequently difficult to work with as it is challenging to make contacts and owners are likely out of state.

Code compliance is a never ending task and it is easy to forget our accomplishments when there are still obvious code compliance issues throughout the Town that are a concern to the general public, as evidenced by our Town surveys. However, we have made great strides and the slide show we will present this evening reflects such. We have done this too while being ultra sensitive to the economic plight of some of our residents and business during a long recessionary period.

In the end, our code compliance efforts require the ongoing support of the Town government, local businesses and local residents. Though code compliance can keep everyone on the same playing field and having obvious code violations resolved can enhance property values and community aesthetics, we are well aware that nobody actually appreciates being on the receiving end of a code compliance action. We are thankful for the support we have received and look forward to continued support and success.

FINANCIAL IMPACT:

None - this is a presentation item only. It is noted though, that code compliance actions can enhance property values, make our community more appealing to visitors and trigger reinvestment.

RECOMMENDATION:

Not applicable for this presentation item.

ATTACHMENTS:

TOWN OF FLORENCE COUNCIL ACTION FORM

AGENDA ITEM 6a.

1864	
MEETING DATE: February 21, 2012	☑ Action☐ Information Only
DEPARTMENT: Fire Department	☐ Public Hearing ☐ Resolution ☐ Ordinance
STAFF PRESENTER: Jeff Moser, Fire Chief	☐ Regulatory ☐ 1st Reading
SUBJECT: Gift donation of heart monitors	☐ 2 nd Reading ☐ Other

RECOMMENDED MOTION/ACTION:

Authorization to accept a gift of four heart monitors: three being training monitors and one new unit for field use.

BACKGROUND/DISCUSSION:

The Pinal County Sheriff's Grants Office received an allotment of heart monitors from the military and donated them to all the Fire Departments in Pinal County. The total amount of the gift is estimated at \$27,500.00

FINANCIAL IMPACT:

The one unit that is for field use will have to be serviced before use. This will be added to our annual service contract at an additional cost to the contract of \$450.00 annually.

STAFF RECOMMENDATION:

Staff recommends that the Town accept the gift donation of the four heart monitors to be used by the Fire Department, from Pinal County Sheriff's Office.

RECOMMENDED MOTION/ACTION:

Motion to approve a grant application to the Arizona Department of Homeland Security in the amount of \$39,600 for Air Mask Communication Systems for Firefighters.

BACKGROUND/DISCUSSION:

The Florence Fire Department has an immediate need to improve the ability of its firefighters to communicate clearly and effectively while actively engaged in fighting a fire; and especially so for those firefighters who are inside of a burning building. Currently our firefighters must try to talk to each other face to face through their masks or talk into their hand held radios through their mask. Trying to understand someone speaking through a mask is difficult under the best of circumstances and becomes extremely difficult when surrounded by the sounds of a fully-involved fire. To address this problem, the Fire Department desires to apply to the Arizona Department of Homeland Security (AZDOHS) for funding to provide each firefighter with an integrated air mask communication system that is specially designed for use in approved fire service masks.

This grant application will be prepared and submitted electronically to AZDOHS no later than March 2, 2012.

FINANCIAL IMPACT:

This application will be for full funding of \$39,600 by Arizona Department of Homeland Security, to purchase 22 Air Mask Communication Systems. No matching funds are proposed. Awards are expected to be announced in September.

Subject: Grant Application to AZ Dept. of Homeland Security Date: February 21, 2012

STAFF RECOMMENDATION:

Staff recommends that the Mayor and Town Council approve the grant application to the Arizona Department of Homeland Security, in the amount of \$39,600, for 22 Air Mask Communication Systems.

Dräger FPS-COM Communication System

The Dräger FPS-COM is the first fully integrated mask communication system and has been especially developed for the professional use in all applications within fire and emergency services. The modular design of this product ensures the flexible adaptation to different requirements.

The Dräger FPS-COM is characterised by its high voice quality and offers the possibility of perfect communication for different application scenarios under respiratory protection. It complies with the high require-ments of the classifications: ATEX / IEC Ex as well as EN 136 and EN 137.

Based on the modular concept, the technical configuration of the system can be freely selected. This means that the communication system can be fully adapted to suit the different requirements.

There are three product versions of the Dräger FPS-COM System:

Version 1:

 Dräger FPS-VA: The system with voice amplifier (enables communication with the direct surroundings without radio link).

Version 2:

- Dräger FPS-COM: The basic radio communication system.
 - a) with integrated push-to-talk button (PTT - Push-To-Talk module) for radio units of the models Motorola Waris and Jedi.
 - b) with PTT cable and nexus plug for standard. In combination with the

external Dräger Savox push-to-talk button (PTT) C-C400 or C-C500 this version can be used with a wide variety of digital and analogue radio units.

Version 3:

- Dräger FPS-COM-VA: the radio communication system with voice amplifier.
 - a) with integrated push-to-talk button (PTT - Push-To-Talk module) for radio units of the models Motorola Waris and Jedi
 - b) with PTT cable and nexus plug for standard. In combination with the external Dräger Savox push-to-talk button (PTT) C-C400 or C-C500 this version can be used with a wide variety of digital and analogue radio units.

The Dräger FPS-COM is available for all Dräger FPS 7000 versions (ESA, PE, RA, P) and can easily be retrofitted in existing Dräger FPS 7000 masks.

The easy installation or disassembly facilitates unproblematic cleaning and disinfection. The power supply is established via standard batteries of the type AAA.

Dräger FPS-COM – another quality product from Dräger Safety.

Resolution

Other

RECOMMENDED MOTION/ACTION:

Acceptance of Frank Puglia's resignation from the Redevelopment Commission and appointing Sharon Speck as Chair and John M. Shaw III as Vice-Chair to the Redevelopment Commission.

BACKGROUND/DISCUSSION:

Mr. Puglia submitted his resignation on February 5, 2011, which he requested to resign from his appointment as Chair of the Redevelopment Commission. State law requires the Chair and Vice-Chair of the Redevelopment Commission be appointed on an annual basis. Those appointments are made in January of each year.

Town staff has placed an advertisement for the Historic District Advisory Commission seat, Planning and Zoning Commission Alternate seat, as well as the Redevelopment Commission. Staff will bring future applications to Council for appointment.

FINANCIAL IMPACT:

None

STAFF RECOMMENDATION:

Staff recommends accepting the resignation of Frank Puglia from the Redevelopment Commission. Staff further recommends that Sharon Speck be appointed as Chair and John M. Shaw III as Vice-Chair to the Redevelopment Commission

Resignation letter

February 5, 2012

The Honorable Vicki Kilvinger Town of Florence Mayor Town Hall Florence, AZ 85132

Re: Resignation from Downtown Redevelopment Commission

Dear Mayor Kilvinger, Town Council Members & fellow Commission Members:

It has been an honor to serve as a member of the Florence Downtown Redevelopment Commission since 2007, and to serve as Chairperson of this exceptional group of individuals. Unfortunately due to health and personal considerations, I must regrettably offer my resignation from this Commission, effective today.

This Commission has accomplished some exceptional goals over the past years, and I know that this group will continue to serve the Town of Florence with their experience and professionalism. I will surely miss everyone, and appreciate the support of each of the Commission members and Town Commission Representatives over the past 4+ years.

I will continue to work to improve and support the Town of Florence. I wish for great success from the Redevelopment Commission on current and future projects and look forward to watching our town move forward and prosper.

Thank you.

Sincerely,

Frank Puglia P. O. Box 465 Florence, AZ 85132 520-868-0882

☐ Information Only☐ Public Hearing

☐ Resolution ☐ Ordinance

☐ Regulatory

☐ 2nd Reading

Other

RECOMMENDED MOTION/ACTION:

Motion to adopt Ordinance No. 571-12: Amendment to Florence Tax Code Section 8A-280.

BACKGROUND/DISCUSSION:

On October 15, 2007, the Florence Town Council voted to adopt Ordinance No. 464-07(B), which Ordinance deleted from the Florence Tax Code, in its entirety, section 8A-280. It has been recommended by the legislative advisor of the Arizona League of Cities that the Town should not have deleted all reference to section 8A-280, but rather, should have inserted "Sec. 8A-280. (Reserved)"

FINANCIAL IMPACT:

None at this time.

STAFF RECOMMENDATION:

Staff recommends adoption of Ordinance No. 571-12, amending the Florence Tax Code to read "Sec. 8A-280. (Reserved)".

RECOMMENDED MOTION/ACTION:

Motion to adopt Resolution 1332-12, amending Resolution 1317-11 and authorizing the submission of applications for 2011 State Special Grant Funds.

BACKGROUND/DISCUSSION:

On November 21, 2011, Mayor and Council adopted Resolution 1317-11, authorizing the submission of applications for 2011 State Special Grant Funds. Arizona Department of Housing has reviewed this Resolution and has determined that elimination of slum or blight, as referenced in the Resolution, is not applicable to the Town's project and requests the adoption of an amended resolution deleting any reference to slum or blight. Staff has prepared a new resolution that meets the requirements of the Arizona Department of Housing.

FINANCIAL IMPACT:

There is no financial impact concerning this action; except that failure to adopt a new resolution as requested by Arizona Department of Housing may jeopardize our opportunity to apply for 2011 State Special Grant Funds.

STAFF RECOMMENDATION:

Staff recommends the adoption of Resolution No. 1332-12

WHEREAS, the activities within this application will address one of the community's identified urgent needs, including the needs of low and moderate income persons; and

WHEREAS, an Applicant of State SSP funds is required to comply with the program guidelines and Federal Statutes and regulations.

NOW, THEREFORE, BE IT RESOLVED THAT the Mayor and Town Council of the Town of Florence, Arizona authorize an application to be made to the State of Arizona, Department of Housing for 2011 SSP funds, and authorize the Mayor to sign the application and contract or grant document for receipt and use of these funds for the installation of ADA-curb-cut ramps in the downtown North Main Street area and hereby authorizes the Mayor to take all actions necessary to implement and complete the activities submitted in said application; and

THAT this application for State SSP funds meets the national objective for the prevention or elimination of Slum and Blight and will provide benefits to community residents, including persons of low to moderate income; and

THAT, the Town of Florence will comply with all State SSP Program guidelines, Federal Statutes and regulations applicable to the State SSP Programs and the certifications contained in this application.

Pass	sed and adopted this 21st day of November 2011
Vicki	Kloniger
Vicki Kilving	ger, Mayor 0

Lisa Garcia, Town Clerk

TOWN OF FLORENCE COUNCIL ACTION FORM

AGENDA ITEM 7a.

MEETING DATE: February 21, 2012 ⊠ A

DEPARTMENT: Fire Department and Grants Division

STAFF PRESENTERS: Bill Norman. Grants Coordinator

Jeff Moser, Fire Chief

SUBJECT: FEMA Grant Application

- ☐ Information Only ☐ Public Hearing
- ☐ Resolution
 ☐ Ordinance
 - ☐ Regulatory
 ☐ 1st Reading

☐ 2nd Reading
☐ Other

RECOMMENDED MOTION/ACTION:

Motion to approve a grant application to the Federal Emergency Management Agency SAFER Program in the amount of \$393,204 to pay the salary and benefits of three firefighters for two consecutive years.

BACKGROUND/DISCUSSION:

One problem facing the Florence Fire Department is that our existing staffing levels do not meet the NFPA recommendation of staffing with four personnel per apparatus. Currently the Florence Fire Department staffs an engine company at Station #1 (Downtown Florence) with four firefighters, and staffs a ladder company at Station #2 (North Florence) with three firefighters. The stations are approximately 9 miles apart, leaving the potential for the ladder truck to be first due on a structure fire and not be in compliance with the minimum four firefighter standard for the first arriving engine. Approximately 20% of our 25,536 citizens live in the area where the ladder company from Station #2 is expected to be the first arriving engine. The Fire Department proposes to use a SAFER grant to hire three new firefighters as additional staffing at Station #2, which would then enable the Department to meet the four firefighter standard throughout our community 24 hours per day, 365 days per year.

The SAFER grant application will be prepared and submitted electronically to FEMA no later than February 24, 2012.

FINANCIAL IMPACT:

This application will be for full funding of \$393,204 by FEMA to pay the salaries and benefits of three firefighters for two years. Matching funds are not required. A commitment to employment beyond 2 years is not required. Awards are expected to be announced in September.

Subject: FEMA Grant Application Meeting Date: February 21, 2012

Page 1 of 2

STAFF RECOMMENDATION:

Staff recommends that the Mayor and Town Council approve the grant application to FEMA in the amount of \$393,204 for firefighter salaries and benefits.

TOWN OF FLORENCE COUNCIL ACTION FORM

AGENDA ITEM

MEETING DATE: February 21, 2012

DEPARTMENT: Finance Department – Grants Division

STAFF PRESENTER: Bill Norman, Grants Coordinator

SUBJECT: 2012 CDBG and SSP Projects

∐ Actioı	n

- ☐ Information Only ☐ Public Hearing
- ☐ Resolution ☐ Ordinance
 - Regulatory
 - ☐ 1st Reading
 ☐ 2nd Reading
- ☐ Other

RECOMMENDED MOTION/ACTION:

The recommended action is for Mayor and Council to continue with the CDBG and SSP Public Participation process by considering and discussing a list of potential projects and selecting those projects that they would like to see submitted for funding by future resolution.

BACKGROUND/DISCUSSION:

The 2012 Community Development Block Program (CDBG) and State Special Projects (SSP) program began with the adoption of the Public Participation Plan by Mayor and Council on November 21, 2011. The first Public Hearing to identify potential projects was held by staff on December 20, 2011, and the second Public Hearing was held at the meeting of Town Council on February 6, 2012. This discussion is a follow-up to the second Public Hearing and is being held for the purpose of identifying those projects that Council members desire to see funded and that also meet the requirements for funding as identified by the Arizona Department of Housing, the agency that administers the CDBG and SSP programs. To be eligible, projects must be either high or medium priority as identified in the attached HUD tables. CAAG Grants Coordinator Cindy Schofield will be available to answer questions during the discussion and to guide Council through the selection process.

FINANCIAL IMPACT:

There is no financial impact associated with the discussion and selection of projects. There will be financial impact when the selected projects are submitted for funding and/or awarded later in this calendar year.

STAFF RECOMMENDATION:

Staff has provided a list of recommended projects and encourages Council to consider the top priority projects.

Subject: 2012 CDCG and SSP Projects Meeting Date: February 21, 2012

Page 1 of 2

ATTACHMENTS:

List of Recommended Projects **HUD Project Priority Tables**

Subject: 2012 CDCG and SSP Projects Page 2 of 2 Meeting Date: February 21, 2012

Staff Summary and List of Recommended Projects

IN FY2012, the Town received notice that it is eligible to receive as much as \$208,551 in 2012 for Community Development Block Grant (CDBG) eligible project(s). In addition, the Town is also eligible to apply and compete for State Special Project (SSP) grant funds as well. In order to initiate the application process for these funds, Mayor and Council previously adopted the Town's required "Public Participation" Plan. This plan stipulates that there be 2 public hearings to obtain citizen input as to possible projects to pursue through the application process. The plan meets the Public Participation requirements set forth by the Department of Housing and Urban Development (HUD).

The 1st Public Hearing, conducted by staff, was held on December 20, 2011, at Town Hall. The 2nd Public Hearing was held at the meeting of Town Council on February 6, 2012. The next step is for Mayor and Council to review and approve which project they wish to designate for this year's CDBG allocation. In addition, Mayor and Council should also decide which project(s) they wish staff to submit applications for possible SSP funding. Mayor and Council may only approve one project for CDBG but can approve several projects for SSP applications as long as they are ranked in priority order. These approvals must be done in the form of resolutions, which staff will prepare for a future Town Council meeting based upon direction from Mayor and Council.

The Projects that have been approved by ADOH for application are:

CDBG

- #1 Historic Preservation (i.e. Silver King Hotel, American Legion, Woman's Club)
- #2 Owner Occupancy Housing Rehab
- #3 New Fire Station Design and Construction

Note: Commercial Rehabilitation would have been the #1 CDBG recommendation, however this project is rated Low Priority in the current HUD listing and is therefore ineligible for 2012 funding.

SSP

- #1 Florence Heights Street Improvements (CIP T10 & T11)
- #2 Effluent Discharge System at South Wastewater Treatment Plant (CIP U-83)
- #3 Adamsville Road Street Improvements (CIP T10 & T11)

TOWN OF FLORENCE COUNCIL ACTION FORM

AGENDA ITEM

MEETING DATE: February 21, 2012 ☐ Action ☐ Information Only ☐ Public Hearing ☐ Resolution

STAFF PRESENTER: Lisa Garcia, Deputy Town Manager/

Town Clerk

SUBJECT: Ordinance No. 572-12

☑ Ordinance☐ Regulatory☑ 1st Reading

☐ 2nd Reading
☐ Other

RECOMMENDED MOTION/ACTION:

Adoption of Ordinance No. 572-12: An Ordinance of the Town of Florence, Pinal County, Arizona, amending Section 30.04 of the Town of Florence Code of Ordinances and establishing a rate of pay for the Mayor and Council, effective July 1, 2012.

BACKGROUND/DISCUSSION:

In 2005, the Town Code was amended to allow Council to be reimbursed for out of pocket expenses incurred by attending meetings and other public functions essential to the Council's fulfillment of its public relations, policy making and ministerial duties. The current code allows for the Mayor and each Council Member to receive the following compensation on a monthly basis: The Mayor shall receive three hundred dollars (\$300) for each month of service. Each Council Member shall receive one hundred and fifty dollars (\$150) for each month of service.

In addition to monthly compensation, each Council Member shall, without prior approval of the Town Council, be reimbursed on the same basis as Town employees for necessary expenses incurred in the attendance of up to three (3), in-state but out-of-county, meetings each fiscal year. Each Council Member may also, by prior Town Council approval, attend and be reimbursed for such out-of-state or excess in-state meetings and/or out-of-pocket expenses as are deemed beneficial to the Town and as allowed by the annual budget.

The compensation analysis was conducted by reviewing the same communities selected for the compensation analysis conducted on all Town positions. If the Mayor and Town Council adopt this ordinance, it will be effective July 1, 2012.

Subject: Council Pay Meeting Date: February 21, 2012

FINANCIAL IMPACT:

Mayor and Council compensation is currently \$14,400 per year. If the ordinance is adopted, the amount included in the FY 2012 – 2013 Budget will be \$40,200, a line item increase of \$25,800.

STAFF RECOMMENDATION:

Adoption of Ordinance No. 572-12: An Ordinance of the Town of Florence, Pinal County, Arizona, amending Section 30.04 of the Town of Florence Code of Ordinances and establishing a rate of pay for the Mayor and Council, effective July 1, 2012.

Meeting Date: February 21, 2012

ATTACHMENTS:

Ordinance No. 572-12

Subject: Council Pay

Page 2 of 2

ORDINANCE NO. 572-12

AN ORDINANCE OF THE TOWN OF FLORENCE, PINAL COUNTY, ARIZONA, AMENDING SECTION 30.04 OF THE TOWN OF FLORENCE CODE OF ORDINANCES AND ESTABLISHING A RATE OF PAY FOR THE MAYOR AND COUNCIL.

WHEREAS, the 2005 the Town's established a uniform pay for Town Council Members, which is both efficient and economical; and

WHEREAS, from time to time the Town completes a compensation survey to ensure that the Mayor and Council are properly compensated for their duties; and

WHEREAS, the Mayor and Town Council rate of pay needs to be increased per the study.

NOW, THEREFORE, BE IT ORDAINED, that Section 30.04 of the Town of Florence Code of Ordinances shall be amended by removing the section and inserting the following section in its place:

Sec. 30.04. Compensation of Mayor and Council

- a) The Mayor and each Council Member shall receive the following compensation on a monthly basis:
 - 1. The Mayor shall receive six hundred and fifty dollars (\$650) for each month of service.
 - 2. Each Council Member shall receive four hundred and fifty dollars (\$450) for each month of service.

PASSED AND ADOPTED this 5th day of March 2012.

	Vicki Kilvinger, Mayor		
ATTEST:	APPROVED AS TO FORM:		
Lisa Garcia, Town Clerk	James E. Mannato, Town Attorney		

TOWN OF FLORENCE

MEMORANDUM

To: Honorable Mayor and Town Council From: Himanshu Patel, Town Manager

Date: February 21, 2012 Re: Manager's Report

This report is focused on the following activities and projects:

1. All Mail Ballot Election

Elections signs are up and allowed for the first time in city and town public right-of-ways. Town staff is contacting candidates to request signs be removed from Town property that is not located in the right-of-way. Ballots will be mailed this week. Ballots must be returned by 7:00 p.m. on Election Day.

2. Candidate Training

The candidate training sessions were held on January 9, 2012, and February 13, 2012. The training reviewed items such as organizational structure, town limits, election information, town accomplishments and opportunities. The next session will be on April 9, 2012 and will focus on Open Meeting Law and Conflicts of Interest Law.

3. ICMA Report

The second draft of the reports has been received. Once the draft has been accepted by staff the report will be forwarded to Council for review. ICMA will make a formal presentation at a future meeting with regard to the report.

4. McFarland Report

Attached is the McFarland State Historic Park report for the month of January.

5. Public Safety Communication Upgrade

Staff and the vendor (Canyon State Wireless) have begun the work needed to complete the project. The improvements to the Public Safety Communication system include new FCC compliant portable and mobile radios for Police and Fire, two communication towers and ancillary equipment, and equipment for dispatch. The tentative completion date for this project is June 1, 2012.

6. Benches on Main Street

The Parks and Recreation Department is working with Arizona Correctional Industries to refurbish the benches in the downtown. The benches will be removed in groups of 3 or 4 and refurbished. The benches will have new wood planks and fresh paint.

7. Revolving Loan Program

The Town received a \$15,000 grant from the Arizona Department of Commerce to create the procedures and documents for the idle revolving loan fund. A contract with Microloan Advancement Center from Tucson has been entered into to create the procedure and documents to implement the revolving loan program. A loan review committee has been formed with two local bankers and Finance Director. The initial documents have been generated and the underwriting documents are currently being created. The loan documents are being updated and the underwriting and pricing guidelines are being developed.

8. Silver King Marketplace

One of the four suites of the Silver King Marketplace is currently vacant. Staff is working with one potential tenant to lease the space and are assisting with a business plan. Staff is working on a lease policy that will deal with commercial leasing of Town owned property.

9. Southwest Ambulance

Staff has drafted an Emergency Ambulance Transportation Agreement with Southwest Ambulance. The agreement moralizes the performance criteria set forth in Southwest Ambulance's Certificate of Necessity (CON) and provides for provisions for ride-in procedures. The draft has been submitted to Arizona Department of Health Service (ADHS) for approval. After ADHS approves the agreement, it will be brought for Council consideration.

Economic Development

Monthly Update January 2012

Work within economic development is steadily progressing. I am continually reaching out to regional and statewide partners in economic development, and seeking opportunities to talk with organizations about the successes and opportunities found within the Town of Florence. I am excited to announce that the Florence Business Retention and Expansion (BR&E) program will go live in mid-February. The first phase of this program will be a business survey to address the strengths, weaknesses, opportunities and threats (aka S.W.O.T. analysis) to the Florence economy from the perspective of local business owners. It is my plan to interview every business owner within the boundaries of the Town of Florence. Once completed, the survey will be composed into an official report and presented to the Town Council for review and consideration.

Meetings/Conferences/Seminars:

- January Triangulation Meeting: On January 5, I met with Jennifer Evans for our monthly Town/Chamber/Main Street meeting. Susan Kerestes was absent due to a back injury. Jennifer and I talked about the ACA grant application being submitted by the Town and one to be submitted by Gem Cox. Mr. Cox will be requesting funds for infrastructure upgrades to Gentry's. We also spoke about assisting the Chamber of Commerce after losing their only paid staff member.
- AAED/ICSC Retail Development Seminar. On January 10, I attended a seminar on retail development at Cityscape in Phoenix. The venue offered plentiful opportunities for networking and I met many individuals in the fields of consulting, construction, local government and public utilities. The seminar gave me a few ideas to implement for the Town of Florence and I will start exploring them in the near future. Many presenters at this seminar stated that people should be looking at what is going on in Florence since this area has the potential for amazing growth in the near future.
- Florence Community Healthcare: On January 11, I met with Karen Barattia and Gary Faulkner to discuss operations at their facility and to also become familiar with their operations. We talked about future plans with this facility and any special needs they may have coming into 2012.
- Chamber of Commerce Meeting: On February 19, I spoke with Susan Kerestes about Chamber operations.
- Pinal County Economic Development: I held a meeting with Tim Kanavel, Economic Development Program Manager for Pinal County, on January 20. During this meeting we talked about the need for greater regional collaboration on economic development projects and the potential for development here in Florence.
- David Bentler (APS): On January 25, I met with David Bentler, Director of Economic Development Programs for APS, at his office in downtown Phoenix. During this meeting we talked about the Town of Florence's ACA rural economic development grant application and the possibility of bringing a Gangplank operation to rural Arizona. We also talked about what Florence has slated in regards to economic development, especially industrial development. It was suggested that we, as a Town, start looking seriously at industrial development so agencies like APS, AAED

and the ACA can start showing potential industries the Town of Florence as a possible relocation destination. Since we have no vacant infrastructure that is geared towards industrial-based businesses, Mr. Bentler stated we would currently be hard pressed to attract these businesses.

Business Retention/Attraction:

- Business Retention and Expansion (BR&E) Program: During the month of January, I organized the business-owner committee that will help guide this program from a business survey to an official report. The members are Mr. Gem Cox, Mr. Harold Christ, Mr. Russ Woodmansee and Mr. Damon Anderson.
- J.J. Barber Shop: I spoke with the owner of J.J. Barber Shop, Mr. Jose Gonzalez, on January 13 about his efforts to relocate here to Florence from the Gold Canyon area.

Marketing:

- Florence Farmers' Market. Throughout the month I have worked on materials addressing the current farmers' market operation within the Town of Florence, at the request of the Chamber of Commerce. I prepared a PowerPoint presentation, literature, policy and other supporting documents of how this market operation could be improved. The presentation was held at the regular Chamber Board meeting on February 3, which will be covered in next month's report.
- Town Image: I have been approached about the issue of marketing our community in regards to economic development. Oftentimes, other players (such as cities and towns in Maricopa and Pima County, State agencies, etc.) are labeling us with specific traits, many of which are not desirable. I see an opportunity for us, as a Town, to be progressive in creating an image of progress and opportunity, rather than a pervasive notoriety of Florence only being a "prison town".

Projects:

- ACA/Town Meeting: Mr. Thomas Doyle, Manager of Rural Programs for the Arizona Commerce Authority (ACA), would like the Town of Florence to be present at their Phoenix-based office to talk about economic development in our municipality. I am working with Mr. Doyle to set a time for this meeting to occur.
- ACA Rural Economic Development Grant: On January 9, I submitted the Town of Florence's application for grant funding to the ACA. We are applying for operational and capital expenses to open a Gangplank operation within the Town. This venue will act as a collaborative workspace which will foster innovation, creativity and act as a bridge from business plan to reality for entrepreneurs, citizens and youth alike. The Town of Florence should be notified of grant rewards sometime in mid-February.
- Economic Development Website: I am working with Dan Bennington to finalize content for an economic development section to the Town website. I cannot give a timeline for completion due to other projects which continue to delay the completion of this project.
- Business Surveys: I have completed a business survey, in conjunction with the BR&E program, which will be initiated in February. I plan on visiting with each business owner in the Town of Florence to compile information on how we can improve the economy of Florence.

Florence Economic Development Taskforce: I have created a meeting of specific Town staff members (Mark Eckhoff, Jess Knudson and Himanshu Patel) to discuss economic development opportunities and strategies on a monthly basis. Currently, I am working on a market analysis outlining retail opportunities in the Town of Florence and specific markets that are not represented in the immediate (10-15 mile radius) surroundings of Florence. It is my hope that this group will be an active body to address recruitment and retention opportunities within the Town of Florence.

Respectfully Submitted,

Scott J Bowles

Economic Development Coordinator

Information Technology

Monthly Department Report *January 2012*

Police Department and Information Technology Infrastructure Re-organization

Due to future needs of a new radio system, and other equipment, more space is required. The new evidence building has been setup to accommodate the new equipment. Additional space has been added to create a new Town data center. This data center will be used as the Town's primary data center. We have also worked into the agreement to implement a backup disaster recovery data center to keep core systems up in the event of an outage or equipment issue in the main data center. We look forward to bringing the new data center online in 2012.

Desktop Virtualization Project

This grant will provide a significant reduction in energy consumption for the Town of Florence computer systems. This grant will replace all Town desktop computers with low power workstations and all servers with more energy efficient hardware. Also, it will provide the funding necessary to implement a "Virtual Desktop" environment, and provide a significant reduction in hardware and software maintenance tasks.

UPDATES:

We have brought Enterprise Technology Services (ETS) on board to continue the implementation of this project. They will be responsible for the network improvements, documentation and implementation of this project. They will begin the project the middle of January 2012. We look forward to completing this project and improving the desktop experience for all affected Town employees.

Sincerely,

Dan Bennington Manager, Information Technology

Geographic Information System (GIS)

Monthly Update

In the month of January, GIS completed printing of the 2012 General Town Atlas. 80 copies of the document were published and printed by Staples. This involved review of proofs and review of printing. In total 8 books had to be returned for defects, but they were replaced. In all, the atlases turned out very well and were of high quality.

GIS also made updates to the parcel and streets layers due to the new update from County. Maintenance on 20+ parcels were completed because of splits and combinations. GIS also added additional County streets to the Street centerline file. The Fire Department requested that more immediate streets be viewable without having to access the County's system, so nearly 3,000 street centerline segments were added. These are primarily streets that are in the Town's General Plan Area. Also, the street's address ranges were updated for every street segment in the Town's GPA, but not in the Town boundaries (3,000+).

Also for the Fire Department, all of the hydrants in the GIS system were added to Spillman. This includes hydrants as far away as Magma Ranch. This involved coordination with the Fire Department and County workers.

GIS attended a Power 911 workshop with the Police Department. This is the new dispatch system for the Police Department, and incorporates a new mapping component. GIS also created a series of maps for the Police regarding the Hell's Angels activity in the Town. Several maps were produced for the event in Downtown and the Rodeo Grounds.

For Community Development, GIS produced dozens of large zoning maps in preparation for final Town Council approval. Several General Plan maps were also published for displays by the Community Development Department. GIS also worked with CD to complete the annexation of additional right of way along Felix Road. In addition GIS produced further exhibits and legal maps and descriptions for the Barclay, and FMR annexations.

A new project was started to make it easier to access engineering drawings for Public Works. Drawing outlines were created in the GIS with hyperlinks to the document's location. This new layer is being built page by page, with already 120+ engineering drawings added.

Sincerely,

Ernest Johnson GIS Coordinator

TOWN OF FLORENCE Community Development Department

MEMO

To: Himanshu Patel, Town Manager

Jess Knudson, Deputy Town Manager

From: Mark Eckhoff, AICP, Community Development Director

Date: February 21, 2012 Town Council Meeting

Re: Activity Report

The attached permit spreadsheet shows that the Town issued 7 single-family home permits for January 2012. That brings us to a total of 52 single-family home permits for the current Fiscal Year.

This Department continues to keep busy with a variety of planning, building and code compliance related tasks and projects. Some key current projects include:

- Community Development staff are facilitating an amendment to the Monterra Planned Unit Development. The amendment proposes a variety of changes to the existing Monterra PUD, including a proposal to allocate a portion of the property for a proposed solar photovoltaic generating facility. The subject site is generally located south of the southeast corner of Attaway Road and Hunt Highway.
- New street signs for the Town of Florence Historic District are being installed.
 The new signs are part of a collaborative effort between multiple Town
 departments as well as the Historic District Advisory Committee, Florence Main
 Street and the Town Council.
- We are working with George Johnson and a team of consultants he has put together to potentially begin the process of amending the General Plan, Zoning and Development Agreements in place for the Florence Ranch project. Mr. Johnson has an intriguing vision for this property and it will be interesting to see how this project moves forward.
- American Leadership Academy has submitted construction plans for a new charter school within the Anthem at Merrill Ranch community. The charter elementary school, which is approximately 32,000 square feet in size, will be located directly west of the Florence Hospital at Anthem. They had hoped to be open for the 2012-13 school year, but it looks like the project will be delayed and they will be open for the 2013-14 school year.

- This department issued the building permit for the historic County Courthouse renovation project. Staff also brought this project to the Historic District Advisory Commission, which approved the renovation plans for this important project. Pinal County bid the work and construction has commenced. The Town is handling the inspections on this project.
- This Department added a new link to our Department webpage that provides information on code compliance. We will work to expand this link in the future with some before and after code compliance pictures.
- This Department is working closely with our CDBG grant team on the administration and implementation of grants that will facilitate improvements to the Bottle Shoppe and True Value Hardware buildings on Main Street. Construction bids were opened on January 6th, so we should see work on these projects commencing shortly.
- Staff is working with the major property owners within the North End Framework Vision Plan (NEFVP) area, including the London family, on our next steps that could help us implement the Town's vision for this area. The next steps are likely to include the creation of a new zoning district for the study area, applying the zoning to properties in the study area and working on development agreements with property owners within the study area. The Town of Florence and Swaback Partners have entered into a contract addendum to work on the development of a unique zoning district for the subject area - one that would be more geared to performance and form objectives than traditional Euclidian zoning objectives. thus helping us to facilitate the vision for this creatively planned district. The additional work being performed on this project was included in the Town's CIP.
- The clean up on the downtown General Store site was finally completed. There are no known redevelopment efforts for this site.
- Community Development staff is working closely with other staff on the early planning stages for the permanent Fire Station Two site, located within the Anthem at Merrill Ranch community along Hunt Highway. Grading on the site is complete, as is the installation of a communications tower. This tower and the new Vista Hermosa tower were installed as part of our ongoing communication enhancement efforts.
- A Certificate of Occupancy has been issued for the Florence Hospital at Anthem. There are some non-safety related housekeeping items to close out on this project and staff is working with the hospital on such matters. All improvements, including some off-site improvements being handled by Pulte, should be completed over the next 60-90 days.
- Community Development staff are working on several Town of Florence Development Code text amendments including A-Frame signs and banners. Manufactured Home Subdivisions and the Downtown Commercial District.

- Community Development staff continues to be involved in larger state-wide transportation discussions regarding future inter-city or commuter rail extensions that would impact Pinal County. While rail of this magnitude is a long way off, the corridor will have a tremendous impact on Pinal County so local planners, engineers, stakeholders and others are paying close attention to this project.
- The Community Development Director is continually working with the ADOT team, Town staff, stakeholders, property owners and others to advance the Town's vision for the proposed North-South freeway corridor.

The Town's recently approved Major General Plan Amendment re-defines the location of the North-South Corridor on the Future Land Use maps contained within the 2020 General Plan, updated the FMU land use category language and also re-established the priority of a Main Street crossing over the Gila River.

ADOT held a series of public meetings on the North-South Freeway corridor project this month and outcomes of these meetings was made available at the ADOT agency meeting on February 7th. While local government jurisdictions, property owners and stakeholders are largely on the same page on this project, the study results show that State and Federal agencies have conflicting opinions. Thus, our continued persistence on this project is critical.

- We are working with Aurora Solar (Iberdrola Renewables) to close out their 20 MW solar project on Bella Vista Road. This project conducted a dedication ceremony that was well-attended and did a good job of showcasing this important project. Construction plans for the adjacent RES 6 MW solar project have stalled while SRP reconsiders their future alternate energy commitments. Recently, we have had two more companies visit us regarding additional solar development projects, including a proposal for a new 45 MW solar project on a portion of the Monterra PUD.
- CCA Final Plat mylars that reflect CCA's potential future expansion plans and included improvements to Bowling Road have been recorded. CCA recently submitted tenant improvement plans valued at \$850,000 for their local facility.
- Construction has commenced on the new Police evidence building and we are working closely with all applicable departments to facilitate the construction process.
- Pulte and Sunpower have teamed up to start including standard solar packages on their homes at Sun City at Anthem at Merrill Ranch (AMR). Pulte/Del Webb have started an advertising campaign to promote their new "green" housing product and hopefully this will result in increased home starts over the next few months. Staff has approved ten new standard plans that will be introduced into the AMR community in the near future, four of which will make up the new Parkside model home sales center that has just opened.

- We have been working closely with the Vista Hermosa HOA in their efforts to construct a new community building for their members. A permit has been issued and this project has commenced construction.
- In response to recent changes adopted by the State in regards to impact fees, the Community Development Director is working with the Finance Department and Duncan and Associates on a substantial update of our impact fee program.
- Over the past several months, activity has picked up in regards to investors acquiring large land holdings from lending institutions and other land investors. We have assisted with several due diligence requests and responded to multiple public records requests. While this does not indicate that development activity is imminent, it does show that the local land market has a pulse and investors are once again envisioning the long term potential for development in the Florence region.
- This Department is looking to upgrade our permitting software and process this coming fiscal year. We will be presenting some proposals through the proper channels in the near future. This month, we had our current permitting software company share a presentation on potential program upgrades and benefits to various Town departments. This department believes that the upgrades and ability to get more departments on the permitting system would enhance our permitting process and efforts in developing a true one stop shop permitting experience.
- This Department submitted our draft 2012-2013 fiscal year budget, as well as updated projections for the current fiscal year, to the Finance Director on January 5th. This kicks off the budget process for next fiscal year.
- The 2006 International Fire Code adoption was finalized on January 17^{th,} so we will be working closely with the Fire Department and the development community to enact and implement this new code.
- The Department will be pursuing discussions with the property owners within the Barclay Annexation area to move this annexation forward, ideally over the next several months.
- Pinal County has approved a courtesy review of the map and legal for the proposed annexation of a portion of the Florence Military Reservation. Staff expects to take the next steps on this annexation soon and that will include the holding of a public hearing on this proposed annexation.
- The Community Development Director was elected by his professional planning peers and colleagues to be the incoming President (President-Elect) of the Arizona Chapter of the American Planning Association. Our Senior Planner, Eddie Lamperez, is on the Chapter's Legislative Committee this year in order to keep up to date with proposed legislation impacting municipalities and planning.

MUNICIPAL COURT MEMORANDUM

TO: Himanshu Patel, Town Manager

FROM: Katherine Kaiser, Magistrate

SUBJECT: Monthly Report for January 2012

DATE: February 2012

January was a busy month bringing in 85 citations and long forms.

February starts our collections of funds being held by the Arizona State income taxes. We will receive funds through May, with February and March being our biggest months.

Our collection Agencies have gotten off to a good start too. Last year between F.A.R.E. and VCS, they collected \$109,859.23 for us.

.

ADDITIONAL MONIES COLLECTED FROM COLLECTION AGENCY AND ARIZONA STATE TAX INTERCEPTION: YEAR 2012 TOTAL

VCS COLLECTIONS

F.A.R.E/T.I.PS.

\$631.00

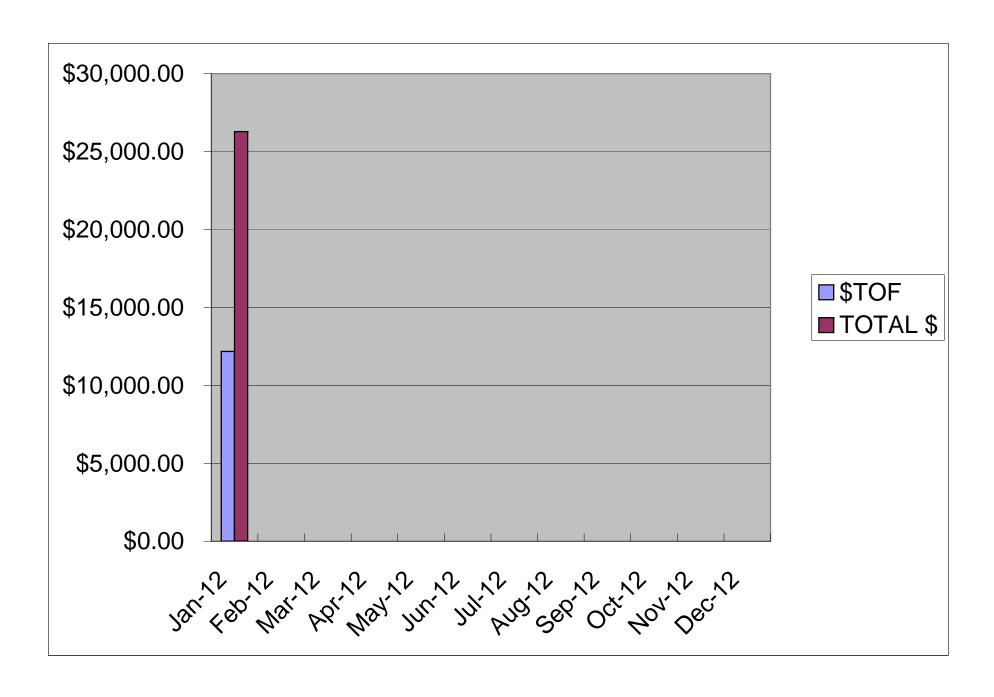

\$8,700.02

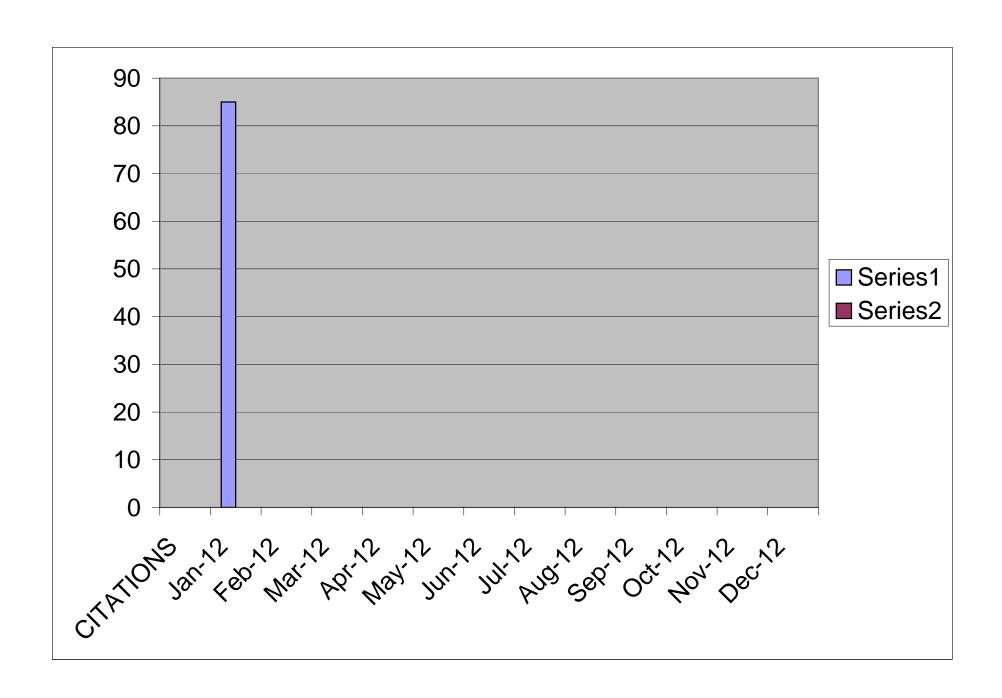

MONEY COLLECTED FOR VICTIM RESTITUTION: YEAR 2012 TOTAL

\$91.19

MONEY COLLECTED FOR FLORENCE POLICE DEPARTMENT FOR DRIVING ON A SUSPENDED LICENSE AND THE NEW \$4 ASSESSMENT; YEAR 2012 TOTAL

\$982.15

Memo

To: Himanshu Patel, Town Manager

Lisa Garcia, Deputy Town Manager-Administration

From: Rebecca Guilin, Finance Director

Date: 2/08/2012

Re: Finance Department Report

Finance Department Update

Residential Construction

The month of January resulted in 6 new residential housing building permits issued in Anthem. This is in comparison to 5 in December. Total for the fiscal year is 55. We have based our budget on 100 new residential units this fiscal year and are at 55% of estimated units.

Other

Utility Rate Study

Economists.com has presented its findings to administration on the Utility Rate Study. A report will be presented to the Town Council on March 5, 2012, because of a scheduling issue.

Infrastructure Improvement Plan/Development Impact Fee Study

Duncan and Associates held a Council Work Session on January 30, 2012 to discuss the assumptions, methodology and level of service with council. Several members of the community were present. We are continuing to work on refining of the methodology and capital projects.

Town Council approved a key element to the study on February 6, 2012, allowing us to proceed with a biennial audit to provide recommendations on the Development Impact Fees as required by the statutes.

We are currently working on the private construction tax computation that will further reduce the amount of impact fees that can be collected. Part of the new law states that if you collected a sales tax on construction in excess of the regular retail tax, the

impact fees will be reduced by the amount of the additional tax collected. This requires research of the past several years' collections of sales tax on construction. The consultant will then provide a reduction component to apply against the impact fees.

This project will take about 12 to 14 months to complete.

Budget

The departmental budgets continue to progress. Personnel costs are being added into the submitted budgets and preliminary budget meetings are being scheduled with staff. Revenue projections for the remainder of this year and for next year are under review.

Other Items

I will be attending the GFOAZ Winter Conference in Prescott next week.

Memorandum

Date: February 8, 2012

To: Himanshu Patel, Town Manager

Lisa Garcia, Deputy Town Manager

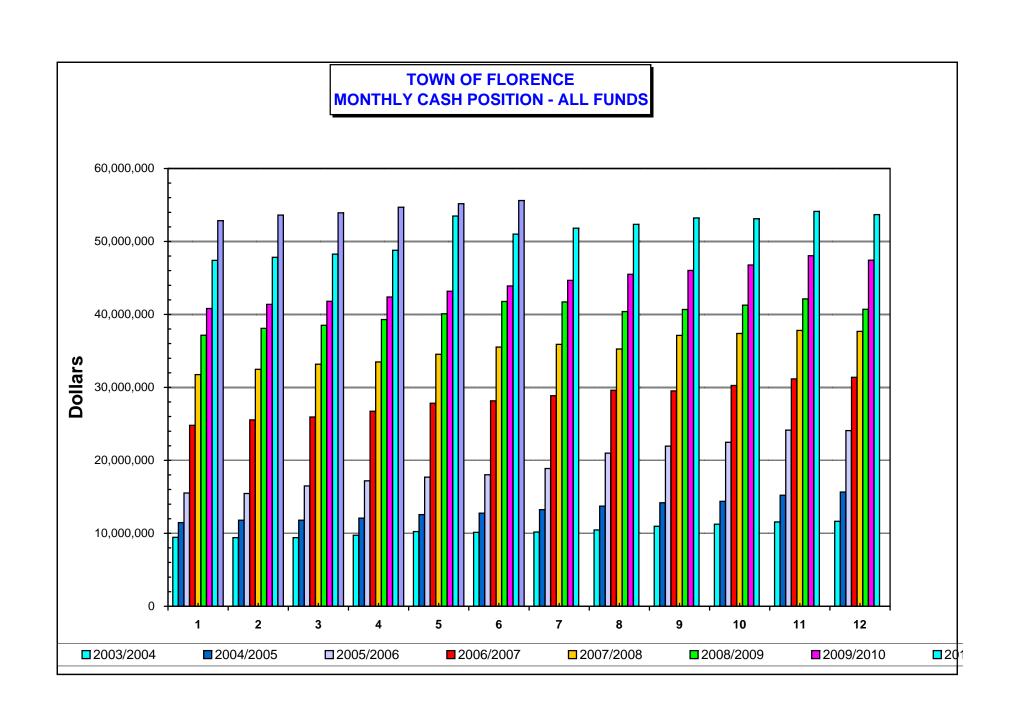

From: Rebecca A. Guilin, Finance Director

Subject: Departmental Report - December 2011

The month of November represents 50% of the fiscal year. The following chart compares the FY 2011-2012 actual revenue & expenses to the budget amounts for the Town's major Funds.

Fund Name	Year to Date Revenue Actual FY 11-12	Revenue Budget FY 11-12	% Actual to Budget	Year to Date Expense Actual FY 11-12	Expense Budget FY 11-12	% Actual to Budget
General	\$4,226,924	\$10,389,278	40.69%	\$5,009,694	\$11,061,298	45.29%

Grants Division Monthly Activity Report

January, 2012

ACTIVE GRANTS

PREVIOUS YEARS

2004 Main Street Streetscape Project

Project TEA-FLO-0(004)A

The Town was previously awarded a **\$500,000** TEA-21 grant from the Federal Highway Administration, through ADOT, to perform enhancements to north Main Street in order to revitalize the local economy along this right-of-way corridor. Currently, this grant has a fund balance of \$399,000 after payment of all architectural and engineering fees to date. \$55,269 of prior LATF II funds have also been set aside for this project.

Status: The completion of this grant is on hold pending the installation of ADA curb cuts ramps.

2008 Community Development Block Grant (CDBG)

Contract 162-09

The Town has received a Community Development Block Grant (CDBG) award in the amount of **\$273,293** for the rehabilitation of two local businesses: True-Value Hardware and the Bottle Shoppe. Construction Bid Submittal and Opening was conducted on January 6, 2012. The bid was awarded to Edge Construction on January 17, 2012. Construction is now ongoing. To date, \$51,856 of grant funds have been spent on this project.

Status: This CDBG project is now being administered by CAAG through a contract agreement with the Town. The Grants Coordinator serves as Town liaison and also maintains project financial records.

2010 Community Development Block Grant (CDBG)

Contract 110-11

The Town has received a Community Development Block Grant (CDBG) award in the amount of \$279,270 for purchase and installation of diesel generators on water wells #1, #4 and #5. This will ensure that the Town has an assured power supply to run the water wells (as well as its hydrants) at full capacity even during extended power outages. Approximately \$125,000 worth of funds from the CIP Fund or Water Enterprise Fund will be earmarked as available matching funds should they be required to cover any costs above the amount of the grant. The estimated project cost is \$404,270. Project engineering and plan review are being conducted. To date, \$564 of grant funds have been spent on this project.

Status: This CDBG project is now being administered by CAAG through a contract agreement with the Town. The Grants Coordinator serves as Town liaison and also maintains project financial records.

2010 Homeland Security Program Grant (HSPG) Agreement 10-AZDOHS-HSGP- 777303-01

The Town has been awarded a grant in the amount of **\$280,000** from the Arizona Department of Homeland Security (AZDOHS) for the purchase of a communications tower, emergency generator, dispatch consoles and other communications equipment as a portion of our overall Communications Improvement Project. The Town will be providing approximately \$196,000 in matching funds for this

portion of the overall project. Canyon State Wireless has been awarded the contract for the overall Communications Improvement Project, which includes the items funded by this grant. Approval to proceed with the purchase of this equipment was delayed for almost a year while an Environmental Assessment was prepared and submitted. The dispatch consoles have been installed and are operating. The communications tower is up and related equipment is being installed.

Status: The Town has received a 90-day extension to complete the project by March 31, 2012.

2009 Edward Byrne Grant – Recovery Act

Project 2009-SB-B9-0652

The Town has been awarded a grant in the amount of \$25,550 from the Department of Justice (DOJ) for the purchase of clothing and equipment for two new police officers and add-on equipment for two new patrol vehicles. To date, \$14,132 of grant funds have been spent on this project.

Status: Vehicle add-on equipment is currently being added to 4 recently purchased police vehicles, which will fully expend all remaining grant funds.

2010 Local Transportation Assistance Fund (LTAF) II

The Town has received an allocation of **\$20,710** from the Arizona Depart of Transportation (ADOT) for the 2010 round of LATF II funding to be added to the funds carried over from previous years. These funds are being used to offset transportation costs for the operation of the senior center program. To date, \$16,646 of grant funds have been spent on this project.

Status: Grant is ongoing.

CURRENT FY 2011-2012

2011 Drug, Gang and Violent Crime Control Grant – Recovery Act

ACJC ARRA GRANT #DC-10-006

The Town has been awarded a grant in the amount of **\$7,500** from the Arizona Criminal Justice Commission for overtime costs for the Police Department's Narcotics Officer in order to continue to participate as a member of the Pinal County Narcotics Task Force. Funds are now in use. This grant is administered by Pinal County.

Status: Grant is ongoing.

2011 High Intensity Drug Trafficking Alliance (HIDTA) 21 COT Grant Number HT21-11-1814

The Town has been awarded a grant in the amount of \$60,771 from the HIDTA-21 program (federal funds) for a police officer to participate as a member of the Pinal County Narcotics Task Force. This grant is administered by the Tucson Police Department. Funds are now in use, with the majority having already been spent.

Status: Grant is ongoing.

2011 Certified Local Government Grant

Project Number 441116 State Preservation Conference

The Town has been awarded a grant in the amount of **\$1,500** in Certified Local Government (CLG) funds from Arizona State Parks for scholarships to allow the Town's Historic District Advisory Commission (HDAC) board members to attend the annual State Preservation Conference. The total project has a budget of \$3,000 and the Town will be providing a \$1,500 match.

Status: Conference will occur in Prescott on June 13-15, 2012.

2011 Gila River Indian Community

The Town has been awarded a grant in the amount of \$126,000 from the Gila River Indian Community toward the acquisition of an emergency response pickup truck for the Fire Department

and patrol vehicles for the Police Department. The total project has a budget of \$216,000 and the Town will be providing a \$90,000 match. Status: The Police Department has purchased 4 new vehicles which are now in the process of being prepared for active service. An order has been placed with Chapman Ford for the purchase of a new Fire Department vehicle.

2011 Tohono O'odham Nation

The Town has been awarded a grant of \$10,730 from the Tohono O'odham Nation as a sponsor for the Pinal County Historical Society to upgrade their computer network and software so that they can properly track and catalog donations received in compliance with ARS statutes. The total project has an estimated budget of \$11,707 and the Historical Society will be providing the matching funds.

Status: A signed contract has been received and the project is now beginning.

SUBMITTED APPLICATIONS

2011 State Special Projects Grant (SSP) - Downtown ADA Improvements

The Town has submitted an application to Arizona Department of Housing (ADOH) for a grant to install ADA Curb-cut ramps in the downtown Main Street area in the amount of \$300,000. These ramps are necessary prerequisites to meet federal ADA requirements so that the key elements of the TEA-21 grant funded "Main Street Streetscape" Plan can move forward. This grant would require matching funds from the CIP fund in the amount of \$150,000.

Status: Status: This SSP project is now being administered by CAAG through a contract agreement with the Town. The Grants Coordinator serves as Town liaison and will also maintain project financial records.

2011 Assistance to Firefighters Grant (AFG) - Vehicle Exhaust Capture System

The Town has applied to the Federal Emergency Management Agency (FEMA) for a 2011 Assistance to Firefighters Grant (AFG) in the amount of \$50,400 for the purchase and installation of a vehicle exhaust capture and filtration system for Fire Station 549 (downtown) to eliminate toxic exhaust fumes throughout the fire station whenever vehicles are running or idling in the bay. \$5,600 from Capital Improvements Fund #11 will serve as the required matching funds.

Status: Town has been notified that its application was not selected for funding.

2012 Community Development Block Grant (CDBG)

Town Council has approved the Public Participation Plan and Town staff is proceeding with the public participation process to identify potential projects for the 2012 round of CDBG and SSP applications. The first Public Hearing was held on December 20th at Town Hall. The second public hearing is scheduled for the Town Council meeting on February 6, 2012.

Status: This CDBG project is now being administered by CAAG through a contract agreement with the Town. The Grants Coordinator serves as Town liaison and will also maintain project financial records.

2012 Arizona Commerce Authority (ACA)

The Town has applied to ACA for a Rural Économic Development Grant in the amount of \$47,158 for the establishment of a Gangplank program in the Silver King Hotel. The Town's contribution includes \$116,423 in "In-kind" matching funds.

Status: Waiting for award notification from ACA.

Prior Years funds for Active Grants: \$1,378,823

FY 2011-2012 funds for Active Grants: \$ 206,501

Total Grant funds awarded for Active Grants: \$1,585,324

Total Grant funds requested in Submitted Applications: \$ 347,158

Respectfully submitted,

Bill NormanGrants Coordinator

Fire Department

MEMORANDUM

Summary of January

Training:

- One member in Paramedic class(to be completed January 2013).
- One member in IEMT to Paramedic upgrade class.
- Tactical training on car fires & apparatus positioning.
- Minimum Company Standards testing will begin with all crews.
- Daily training was conducted by each crew.
- Crews finished driver operator testing for this year.
- Crews doing site familiarization at the new hospital and getting pre-plans done.

Maintenance:

- Ladder 548 repairs were completed and the apparatus has been returned to service after being pump tested.
- Continued with routine maintenance on vehicles.
- Continued to send in SCBAs for upgrade and service.
- Turn outs sent to be cleaned and repaired.
- Continue working with Canyon State Communications on radio project.

Administration:

- Conducted monthly crew meetings.
- Chief Moser met with Community Development bi-weekly.
- Chief Moser attended scheduled Council meetings.
- Blood pressure checks at Senior Center were conducted.
- Working with Town staff, contractors and designers for the new fire station building for the Anthem area.
- Had a pre-construction meeting with Pierce Apparatus on the construction of the new Engine. Reviewed all drawing and made final changes. Delivery projected for late June.
- Budget 2012-2013 preparations continue.
- Conducted numerous site inspections at the new hospital.

Plans for February

Training:

- One member in Paramedic class (completed January 2013).
- One member in IEMT to Paramedic upgrade class.
- Two members to begin rope rescue classes
- Three members to begin command classes
- Minimum Company Standards testing will be continued with all crews.
- Daily training will be conducted by each crew.
- Training officer will train crews on ladders, EMS, and ventilation.

Maintenance:

- Continue with routine maintenance on vehicles.
- Continue to send in SCBAs for upgrade and service.
- Turn outs will continue to be cleaned and repaired.
- Continue working with Canyon State Communications on radio project.
- New command trucks will be delivered this month and sent for radios, stripping, and lights.

Administration:

- Conduct monthly crew meetings.
- Chief will meet with Community Development bi-weekly.
- Chief will attend scheduled Council meetings.
- Blood pressure checks at Senior Center have been cancelled due to event conflict.
- Continue with planning of new station in Anthem.
- Continue the budget process.
- Conduct a final inspection at the new hospital for Certificate of Occupancy.
- Chief to attend Pinal County Communications meeting.
- Chief to attend the Pinal County Meeting regarding Country Thunder.
- Crew will be attending the Caliente del Sol Spring Fling event.

Florence Community Library January 2012

Statistics

- 8,659 patrons visited the library in January
- 73 library cards were issued
- 9.555 total items were circulated
- 2,206 patrons signed up for use of the computers
- 153 person(s) attended 17 program(s) presented by the library
- 12 FHS classes were held in the library
- 300 FHS students visited the library on a pass
- 1 person(s) volunteered 4 hour(s)

Meetings and Events

1/02/12	The library was closed for the New Year's Holiday.
1/11/12	Rose Bebris attended a meeting of the Friends of the Library.
1/16/12	The library was closed for the MLK, Jr. Day Holiday.
1/17/12	The library hosted a Oneclickdigital webinar.
1/18/12	Rose Bebris attended a Library Advisory Board meeting.
1/26/12	Rita Marquez attended a meeting of the First Things First Pinal Regional
	Partnership Family Support Coalition.

F.U.S.D. Intersession

FUSD students were on break December 19th through January 6th. School resumed on Monday, January 9th.

Staffing

Recruitment is underway for the Library's open part-time Office Assistant position.

Tax Forms

It's that time of year again! Unfortunately, as with the last few years, state and federal tax forms were not distributed to the library. As people have become very accustomed to picking up tax forms at the library, this is a most unwelcome change. Library staff has been trying to get the word out as to where patrons can get their tax information.

Federal tax forms are available at www.irs.gov. Help with the federal forms can be found on the telephone or at the local IRS Taxpayer Assistance Center.

Forms Hotline - 1-800-829-3676 Tax Help - 1-800-829-1040 Mesa IRS Office - 480-503-7355

1818 E Southern Ave, Mesa AZ

Hours: Monday -Friday 8:30 a.m. - 4:30 p.m.

Arizona state tax forms can be found at www.azdor.gov. Help with the Arizona forms can be received over the telephone or at the East Phoenix Metro Area Office in Gilbert.

Tax Assistance by Telephone - 602 255-3381 or 1-800-352-4090

Gilbert Office

275 E Germann Rd., Building 2, Suite 180

Gilbert, AZ 85297

Hours: Monday-Friday - 8 a.m. - 5 p.m.

Memorandum

To: Himanshu Patel, Town Manager

From: Ray Hartzel, Parks & Recreation Director

Date: February 21, 2012

Re: January 2012 Department Report

In January we began taking registrations for Youth Basketball, "Boo Yah Bunch" Cheerleading, and F.E.A.R. Dance Squad. These events are scheduled to begin in February. We also began our pre-school program called Iddie Biddie Kiddies. This group meets two days a week and is for children ages 3-5. The children begin to learn classroom etiquette and how to follow rules. They will also begin to learn their alphabet, shapes, numbers, and colors during this course. Later, they will learn basic safety tips which will include information from Florence Fire and Police Departments. This is a great opportunity for the children to learn socialization skills and get comfortable being left by their parents in small time increments.

On January 26th, the Parks and Recreation Advisory Board also met. Items on the agenda included an update on the new fee schedule for the After School Program and how it has impacted registrations for the new semester. There was also discussion of the upcoming Fishing Derby and Pooch Party. The Board also discussed the repair of existing cardio equipment at the Florence Fitness Center and the possibility of adding new equipment to the gym. Upcoming recreation programs were also discussed, per the agenda.

The Dorothy Nolan Senior Center hosted their Information and Health Fair with great success. The health fair included free health screenings, demonstrations, and vendor exhibitions. The Senior Center staff also sold biscuits and gravy for breakfast and hot dogs for lunch. There was also a rummage sale during the health fair. The Senior Center also hosted many trips in January, including a trip to a Coyotes hockey game and to an art gallery in Old Town Chandler.

Please take the time to review the following division reports: Recreation, Fitness Center, After School Program and Parks Maintenance.

Thank you.

Parks and Recreation Department Divisions Report January 2012

Recreation Programs

Recreation Programs	Participants	Volunteers	Comments
Adult Open Gym	103/*10	0	*Average number per night
Teen Open Gym	9/*1	0	*Average number per night

Robert M. Ingulli Chief of Police

Public Works Monthly Report January 2012

Administration

- ADOT personnel met with Council to discuss alternate route for SH79/79B bypass. Florence Heights offered as a bypass. ADOT to utilize Butte/Main as a bypass.
- Purported engineer of Majestic Ranch contacted CAP and utilized Town's permit for data acquisition; item in process of being resolved.
- Contractors on Granite Street Water Line Replacement Project to start 2/6/12.
- Engineering study of traffic issues on Hunt Highway just north of Franklin Road continued.
- Completed Bush Street, Centennial Park and Butte to 16th Street areas with asbuilt information to GIS as previously provided. Information not yet forwarded.
- Attended PCWAA meetings.
- Met with farmer and with County on Canal Road maintenance; to be resolved.
- Continued preparing RFP for Work Order Management System.
- Scoping of Phase III started on Florence Copper Project's Consultant proposed Scope of Work.
- Resolved all comments to ANG Phase II Project; awaiting AOC from Engineer.
- Completed plan review of Phase III Project at ANG and issue right of way permit for County area.
- Spill from JUC WWTP infringed upon Hunt Highway and Town property adjacent to Hunt Highway; evaluating letter from Pulte on issue to ensure cleanup completed.
- Continued to assist in Historic Street Sign Project for Main Street. Posts reordered and shipment to arrive week of 1/30/12.
- Final Closure activities at Plant Road WWTP to be designed with grading, drainage and technical specifications. Final permit reviewed and resolved with ADEQ; monitoring Well No. 2 pump pulled and video to start Clean Closure issue completed; awaiting proposal from Contractor.
- Continued RFP for WWTP expansion based on recent WIFA funding. Contracting strategy to include Design-Build in 3 phases. RFP to take approximately two (2) months, delayed due to availability of resources.
- Received Construction Easement from landowner, well redesign complete. RFP in process as easement received.
- CAP was to terminate the TOFs agreement for the force main via Pipe Bridge; however, per discussion, engineering will be finalized so that construction can be completed within the CAP easement. Town advised developer that work will not be completed by Town in regards to design and construction. Provided Scope of Work to developer; awaiting deposition.
- Employees attended Biometric Screening hosted by Town.
- Previously met with Southwest Gas and advised them that regulator at Felix/Hunt intersection needed to be relocated, pending review of documents with Pulte; awaiting results. Follow up continued, no action yet by SWG, Pulte to contact.

- SRP streetlight issue at Felix and Railroad Track being resolved between Pulte & SRP. Streetlights revised; awaiting Pulte letter for acceptance.
- Continued Self-Assessment of PW Certification by APWA.
- Reviewed numerous as-builts and plan reviews at Anthem several times for resolution, accuracy, and turnover, including Hunt Hwy, Merrill Ranch Parkway and Sun City Blvd.
- Met weekly with Baxter Design Group to discuss plan review, submittals, and district engineering topics an Anthem @ Merrill Ranch.

Engineering

- Underground storm drainage system inspected at Police Department and jointing deficiencies found and reported.
- Worked on punch list items for Anthem Hospital to include Access Control, Storm Drainage, Backflow Prevention, and As-Builts.
- Construction of traffic signal continued at Anthem Hospital in Florence entrance on Hunt Highway.
- Completed review of Granite Street Water Line Drawings for fire protection to True Value. Work to start in February.
- Water break on Adamsville just east of Main Street temporarily repaired. Final repair when Adamsville utilities/roadway project starts.
- Completed re-design of Well No. 3 well head with CCA booster pumps included.
- Inspected sewer blockage and water line break remediation on American Way at Walker Butte Wash Crossing. Deficiencies found and reported to Pulte. JUC to be advised.
- Continued design of roadway intersection at Minnesota and Arizona Avenue.
- Continued Water Distribution Modeling for fire flow analysis, received drawings.
 Field review to start.
- Received ADWR Audit Response accepting prison population, rebuttal from Town on personnel served in balance of Town provided to ADWR. No response yet.
- Received authorization from SCID to extend pipe with drainage ditch at Attaway/Hunt intersection for possible intersection improvements; design continued.
- Investigated storm drain issues in Walker Butte wash within Anthem; evaluating results.
- Continued to assist in Police Department/IT building review, survey, drainage, site plan, and contractual documents.
- Completed design of sewer line extension on 8th Street; evaluating project.
- Investigating road subsidence over con-Arches located on Merrill Ranch Parkway. Survey and potholing completed indicating saturated soil conditions. Geotechnical analysis and soils investigation completed; evaluating extent of remediation.
- Numerous deficiencies noted in warranty period at Anthem infrastructure in Merrill Ranch Parkway, Hunt Highway, and Sun City Blvd. Remediation continued.

- Design 100% complete for the HCP ramps on Main Street from Butte to Ruggles for SSP grant/construction purposes. Bulbouts to be incorporated in each HCP typical ramp at intersections and mid-block crossings. Design completed. Consensus of group was to utilize stamped red concrete with Ashler Slate pattern.
- Preparing monitoring well specifications with Consultant at South WWTP.
 Submitted final APP documents, "other" permit to drill well for monitoring, completed if needed.
- Completed engineering of wellhead and booster pump/distribution system at Well No. 3. Bid documents being reviewed. APS contacted for services loads, (1200 amp). Received APS quote. Revisions to pumping arrangement started for County interface, if IGA forthcoming, this item treated as alternate to bid. RFP being reviewed, front-end and I & C to be resolved.
- Met with GEO prison officials to discuss drainage issues from State Land to the south of GEO Prisons. Research proceeding, field investigation continued.
- Continued engineering for Main Street water line location; design to be reviewed.
- Completed evaluation, drainage issues at Felix Farms, due to possible error by developer/engineer; awaiting response.
- Reviewing drainage issues with Tutor Time and Anthem Marketplace after submittal.
- Evaluating proposals from various metering companies (Mountain States/Metron-Farnier and others) to provide resolution on continued metering reading issues and updating. Negotiation GIS System, Caselle billing interface, and meters to be utilized for system and later presentation to Council.
- Researching water rights for various Giles property and converting to TOF, survey started.
- Received water line extension drawings to legal offices at SH79. We are awaiting ADOT permit for construction from owner.

Streets

- Attended Dirt Roadway Dust Palliative demonstration.
- Procured a 6-vard dump truck for maintenance and repair of streets usage.
- Striped parking stalls at Police Department Building.
- Sidewalk closed signs at Public Facility site on Hunt Highway continued.
- Temporarily halted Main Street concrete repair due to workload.
- Pothole Patch Truck and crew worked on potholes and water line/sewer line patches.
- Crews worked on mowing, chopping weeds, and trimming trees in the Town's right of ways.
- Reviewed and issued right-of-way permits.
- Street personnel assisted the Sanitation Department several days this month by running the wood chipper throughout the Town.
- Completed construction of box culvert at west end of McFarland.
- Crack sealed the FUSD parking lot.
- Attended Pass QB Texture Seal Maintenance demonstration.

Fleet Maintenance

- Replaced hydraulic cylinders on ST-018.
- Replaced hydraulic hoses and motors on ST-039.
- Replaced bearing on feeder of ST-040.
- Replaced brakes on ST-021.
- Replaced tires on ST-010, ST-055, and WW-025.

Facility Maintenance

- Awaiting results of HVAC controls adjustment to Rooms 1202/1203 in Town Hall, before evaluation. IT to send out service contract, rooms not evaluated.
- Investigated structural crack at Fire Department Bay floor and recommended it be sealed. Researching engineered products for use; to be continued when resources available.
- Public Works man hours were expanded on facilities maintenance rather than outsourcing for contract labor.
- Minor plumbing activities took place at various facilities through Town including replacement of accessories.
- Performed repairs of restroom areas throughout Town including accessory replacements. Major repairs at High Profile parking lot. All work continued.
- Replacement of four (4) doors at Senior Center pending approval of purchase order.
- Replacement of two (2) doors at Jacques Square restroom pending approval of purchase order.

Sanitation

- Four hundred twenty-nine (429) tons of trash was delivered to the transfer station.
- 280 cubic yards of brush and trees were mulched.
- Continued preparing RFP for Commercial Garbage Collection and started contracting strategy for recyclable services. ADEQ advised it is acceptable to delete one (1) pickup a week if recycling program for entire Town is approved by them.
- Delivered eighteen (18) refuse containers.
- Completed Holiday garbage pickup schedule for 2012.

Cemetery

- Two (2) funerals were held.
- Eight (8) inquiries on cemetery plots were discussed and twelve (12) plots were sold
- Investigating monument placement at Cemetery for rules/regulation, building safety and right-of-way issues.

South Wastewater Plant

- Fabricating metal frame for sun shade at UV contact chamber.
- Pinal County Air Quality District accepted H2S final compliance testing at Plant.
